

# Top Takeaways from the March 2018 CHN Committee Meeting

## CHN Quality Improvement Tool Kit – Key Resource to Support Your Practice!

The CHN Quality Improvement Tool Kit is a comprehensive, one stop shop to support your practice's quality improvement efforts!

**Resources Include:** Best Practice Slide Decks, Billing & Coding Guides, Provider Education Documentation, CHN Population Health Technology Training Guides, and Other Resources!

## New 2018 Blue KC ADHD Quality Incentive Measure – Understanding the Measure Definition

Blue KC introduced a new ADHD quality incentive measure for 2018. [Click Here](#) to learn more about the “Follow Up Care for Children Prescribed ADHD Medication” measure definition.

**The measure evaluates whether a patient newly prescribed ADHD medication (i.e. no ADHD medication in the past 4 months) has at least 1 follow up visit with a prescribing provider within 30 days of the ADHD prescription.**

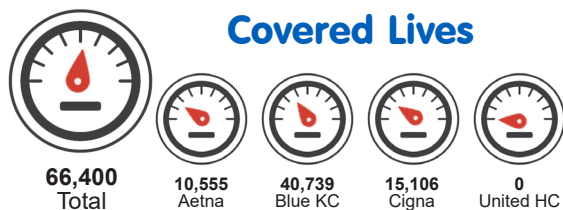

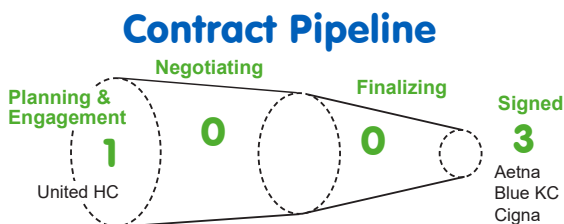

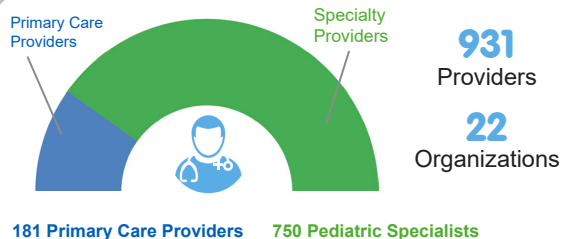

## CHN Physician Operating Board Election

The CHN Physician Operating Board is up for re-election in April! Existing or new board members are eligible. 5 community-based pediatricians will be elected to serve a 2-year term. Please work with your CHN Committee representative to submit board nominations to Pamela Johnson by April 6th.

**The Physician Operating Board sets the strategic direction of our network and reviews/approves CHN Committee recommendations. [Click Here](#) to View CHN's Governance Structure.**
