Preliminary Final 2020 CMHN Incentive Performance Results

Despite the COVID-19 pandemic, the network exceeded targets in 9 of 12 quality & utilization measures. And, remarkably, 5 of those measures exceeded the national 90th percentile benchmark recognizing the network as collectively performing in the top 10% of all providers nationally. Congratulations to all CMHN practices and care teams! Your teamwork, collaboration, and determination led to these great results!

Care Integration Services - Newly Covered Care Coordination Services for Commercial Payers

Most major commercial payers (Aetna, Blue KC, Cigna, United Healthcare) now cover services for 'Transitional Care Management' (TCM) and 'Advance Care Planning'. The TCM services allow for reimbursement of the non-face-to-face care provided to patients as they transition from an acute care setting back into the community.

Your practices may be providing services that are now reimbursable!
